Subject: Pacific Northwest Solar, LLC – Unclassified Use Permit
Bootlegger Trail (S-225)

Anna,

Since S-225 is under MDT jurisdiction an approach permit will be required for access. An approach permit can be obtained from the MDT website. Along with the permit application we will need estimated vehicle trips per day to the site after full buildout.

The approach permit will need to be submitted to our maintenance chief, Harry Barnett.

Please call Harry Barnett at 454-5889 or me at 454-5899 if you have any questions.

Thanks,

Steve Prinzing, P.E.
